The Cook County Justice Advisory Council, the Cook County Bureau of Economic Development, and the Cook County Department of Homeland Security want to know what South Suburban community members think will improve safety and increase opportunity in their neighborhoods.

If you live or work in the southeast and southwest suburbs, we need your voice. Help shape the County's agenda for the southeast and southwest suburbs.

For further information and to register for the event please call Wynetta Scales at 312-603-1137 or send an email to JAC.info@cookcountyil.gov.
