URGING GOVERNOR PAT QUINN AND THE ILLINOIS GENERAL ASSEMBLY TO LOOK AT MEDICAID SAVINGS ALTERNATIVES

WHEREAS, the health care needs of the residents of Cook County are provided for by a safety network of hospitals comprised of Medicaid safety net hospitals, children's hospitals, public hospitals, academic medical centers and community hospitals; and

WHEREAS, this hospital safety network also provides financial support and services to a variety of community health care clinics and Federally Qualified Health Centers to further meet the health care needs of the county's residents; and

WHEREAS, in a time of economic instability, hospitals support one of Illinois' economic

engines, employing directly and indirectly over 407,000 people and driving more than \$78 billion in economic stimulus in the State of Illinois; and

WHEREAS, the Cook County Board of Commissioners recognizes that hospitals are strong anchors of their communities, directly and indirectly supporting nearly 277,000 jobs in the Chicago metropolitan area; and

WHEREAS, Medicaid spending in Illinois is financially not sustainable and must change; and

WHEREAS, Governor Pat Quinn has proposed to balance the State of Illinois budget by cutting Medicaid by \$2.7 billion threatening this critical program, which is a lifeline to hospitals and many residents of Cook County; and

WHEREAS, further cuts to hospital reimbursement could reduce access to care to some of Cook County's most vulnerable patient populations, including the elderly, disabled, children and destitute; and,

WHEREAS, cutting Medicaid reimbursement will not only jeopardize the provision of services, but also the jobs of those who provide them; and

WHEREAS, hospitals have identified nearly \$1.4 billion in savings available to the State from hospital Medicaid programs and policies; and

WHEREAS, the hospital community understands the budget crisis facing the State and has adopted these cost-saving alternatives as a shared position; and

WHEREAS, Governor Quinn and the Illinois Department of Healthcare and Family Services (HFS), in collaboration with the Cook County Board of Commissioners and the Cook County Health and Hospitals System (CCHHS) has requested an 1115 waiver from the Centers for Medicare and Medicaid Services (CMS), to cover the current uninsured population that will become eligible for Medicaid in 2014; and

WHEREAS, the Cook County Board of Commissioners is concerned for the physical and economic health and well-being of the citizens of Cook County and the State of Illinois.

NOW, THEREFORE, BE IT RESOLVED, that state legislators and hospitals work together to find solutions that will not impact patient care or jeopardize access to health care for the State's most underserved communities while maintaining the financial health of hospitals; and

BE IT FURTHER RESOLVED, that it is incumbent on the State of Illinois to enact operational and eligibility reforms before reducing hospital and physician rates that will result in immediate job cuts and a reduction in access to care for society's neediest members; and

BE IT FURTHER RESOLVED, that the Illinois General Assembly take action to pass the state plan amendment to the existing Hospital Assessment program and the 1115 waiver request that will bring in additional revenue through Federal match; and

BE IT FURTHER RESOLVED, that the Cook County Board of Commissioners call upon Governor Quinn to proceed expeditiously to achieve any savings identified by Illinois hospitals in their list of “potential Medicaid Savings Alternatives” and to identify and implement any other systematic savings available to the Medicaid program; and

BE IT FURTHER RESOLVED, that a suitable copy of this Resolution is spread upon the official proceedings of this Honorable Body and that an official copy of the same be tendered to Governor Pat Quinn and the members of the Illinois State General Assembly.
