BUREAU OF TECHNOLOGY

PROPOSED CONTRACT ADDENDUM

NEW ITEM #1

Transmitting a Communication, dated December 13, 2012 from

LYDIA MURRAY, Chief Information Officer
and
MARIA DE LOURDES COSS, Chief Procurement Officer

requesting authorization for the Chief Procurement Officer to amend and extend for fifteen (15) months from current term expiration, Contract No. 08-45-256 with Securus Technologies, Inc., Dallas, Texas, for telephone services provided to Cook County jails and detention centers.

Reason: Through an amendment to Contract 08-45-256, the County desires to lower the cost of telephone calls that detainees in County facilities place to their friends, private defense counsel, and families. In 2008, the County awarded a competitively procured contract to Securus Technologies, Inc., to provide pay telephone service to detainees and investigative tools for the County Sheriff. The proposed amendment will: (a) significantly lower the cost of phone calls to detainees, their friends, private defense counsel, and families; (b) lengthens detainees' call time from 15 minutes to 30 minutes; (c) requires that the vendor provide free phone calls to JTDC detainees and free calls from detainees to the Public Defender's offices; (d) increases investigative tools available to the Sheriff's office; (e) guarantees revenue of \$3.3 million in 2013.

Estimated Fiscal Impact: None. Contract extension: September 15, 2013 through December 15, 2014.

The Chief Procurement Officer concurs.

Vendor has met the Minority and Women Business Enterprise Ordinance.
